Everyone knows that Social Security Disability Insurance (SSDI) and Supplemental Security Income (SSI) benefits can be extremely difficult to obtain. Many people feel that the system is designed to be so complicated and time-consuming that the average applicant will simply give up the struggle to get their benefits.

The staff at Syndicate Legal & Financial continue to receive training in the programs required to engage with the Social Security Administration in compliance with the Social Security Protection Act of 2004, including extensive training to ensure that we remain up to date on all Social Security Disability Insurance (SSDI) and/or Supplemental Security Income (SSI) Claims from start-to-finish.

The Social Security Administration denies 2/3 of all initial claims, and the odds are even higher for those applying without professional representation.

Our services include (but are not limited to):

- Assist Social Security Retirement, Supplemental Security Income, Social Security Disability Insurance, General Relief, CalFresh, CalWorks, CAPI cases.
