If you've been victimized by a crime, the last thing you need is a hassle from the system that's supposed to get you justice. But sometimes that's what happens. Crime victims have many rights, including the right to be treated with dignity and the right to restitution. But getting the full benefit of these rights can take time and energy. That's where our "Victim Advocacy Services" comes into play.

A crime Victim Advocate is someone who knows the ins and outs of the Criminal Justice System and uses that knowledge on behalf of victims. A victim's advocate can:

- Prepare Victim & Witness Declarations for Police Reports & Prosecutors
- Help Compile Evidence for the Prosecution of the Defendant(s)
- Assist with the process of Calculating Damages and Collecting Restitution
- Helps the victim figure out the Criminal Court process and what is happening
- Be a Liaison between the Victim and the Police / Investigators / Prosecutors – make sure each is listening to the Victim
- Make sure the Victim is Protected from the Defendant(s)
- Educate the Victim about the "Victims Bill of Rights"
- Help the Victim to find community recourses available to the Victim
- Help the Victim and/or Witness(es) prepare to testify in court, and
- Prepare the Victim to speak at a sentencing hearing

Our backgrounds make us uniquely situated to guide victims through the Criminal Justice System. If you have been victimized by crime, our "Crime Victim Advocates" can help ensure you are treated with dignity, get access to all the services you need, and get the compensation you deserve.
